20 VB National Golf Club	Gold	5329	65.9	115	87.3	Red	4783	63.4	111	83.9	546
Averages		5370	66.1	115	87.6	Averages	4902	64.1	110	84.5	468

### SUMMARY:

**SENIOR TEES:** Longest - 5848 yds, Shortest - 4877 yds, Average - 5370 yds ; 4 Courses over 5600 yds, 6 Courses under 5200 yds., 10 courses between 5200 & 5600 yds; Highest Course Rating 68.8, Lowest Course Rating 64.0, Average Course Rating 66.1 ; Highest Slope 123, Lowest Slope 105, Average Slope 115 ; Highest Bogey Rating 91.5, Lowest Bogey Rating 85.5, Average Bogey Rating 87.6. Courses with unrated Regular Senior Tee - 0. Courses with Senior Tee unrated by USGA/VSGA - 0.

**NEXT FORWARD TEES:** Longest - 5237 yds, Shortest - 4777 yds, Average - 4932 ; 1 Course over 5200 yds, 3 Courses under 4800 yds; 17 Courses between 4800 and 5200 yds; Highest Course Rating 66.6, Lowest Course Rating 60.6, Average Course Rating 63.8 ; Highest Slope 117, Lowest Slope 102, Average Slope 110.4 ; Highest Bogey Rating 88.1; Lowest Bogey Rating 80.8; Average Bogey Rating 84.3 ; Courses with Next Forward Tee unrated for men - 3

**TEE DIFFERENCES:** Largest difference between Regular Senior and Next Forward tees is 772 yds (Riverfront), smallest difference 169 yds (Aeropines Hornet); Average difference between tees is 452 yds . If the three outlier differences between tees that are at or above 600 yds are removed, the average difference between Regular Senior and Next Forward tees becomes 408 yds. This more nearly approximates the real average difference between the Regular Senior tee and the Next Forward tee.

**USGA/PGA of AMERICA RECOMMENDATION:** "Tee It Forward" and play a tee based on how far you hit your drive:

Average Drive Distance	<140	140	165	180	200	230	250	270+
Course Yardage Range	<4000	4000-4400	4800-5000	5100-5500	5600-5800	6000-6100	6200-6400	6800-7100

**NOTES:**

1. Club has two types of play: Regular Tournaments & the Club Championship Tournament.
2. BOD recommends designated Senior Tees for all tournament play be not less than 5200 nor more than ~5600 yards; the Next Forward Tees for regular play recommended to be around 7 to 10 percent less, or at least about 350 shorter, but not more than about 550 yards shorter than the Senior Tees. These are intended as desirable guidelines/goals.
3. Championship course to be chosen by difficulty as assessed by slope, course rating, bogey rating and tee yardage differential.
4. Club Championship courses should have slope, course & bogey ratings for men for both the Regular Senior and the Next Forward tees to be utilized for the Championship.
5. Course yardage difference between Senior and Next Forward tees for Club Championship should be as close as possible to average difference across all courses played. Suggest not less than ~350 nor more than ~550 yards difference between the two tees. These are intended as VERY desirable guidelines/goals.
6. Members must review the above tees intended for play, choose and declare that they will play either the Regular Senior tee, or the Next Forward tees (at their sole discretion, and regardless of age or handicap) prior to the beginning of the season (or prior to their first participation for the season). This choice will be irrevocable and locked in for the entire season.
7. Hells Point Golf Club does not have a tee rated by USGA/VSGA for men forward of the senior tee. VBSGC has calculated for club use a course rating and slope from the pink tee which is our Next Forward Tee that will be used for club events. This VBSGC established course rating and slope will be used to calculate course handicaps for members playing from this Next Forward Tee during VBSGC events. NOTE: Any scores shot by members playing from the pink tee at this course in VBSGC events are NOT ELIGIBLE to be posted to GHIN.
